Historicism - By Branch / Doctrine - The Basics of Philosophy The term "historicism" is used in several different fields of study (including philosophy, anthropology, and theology) to indicate some widely differing lines of thought: Hegelian Historicism is the position, adopted by G. W. F. Hegel , that all human societies (and all human activities such as science, art or philosophy) are defined by their. Philosophy of History Part XV: What Is Historicism? | The ... Historicism is a somewhat obscure term, but one does occasionally encounter it in philosophy, and especially in discussions about the theory and nature of history, so I thought it might be worthwhile to pause for a moment and discuss it. Historicism is the view, first advanced by Giambattista Vico. Historicism - Wikipedia Historicism is the idea of attributing meaningful significance to space and time, such as historical period, geographical place, and local culture. Historicism tends to be hermeneutical because it values cautious, rigorous, and contextualized interpretation of information; or relativist, because it rejects notions of universal, fundamental and immutable interpretations.

Philosophy of History (Stanford Encyclopedia of Philosophy) Whereas analytic philosophy of history had emphasized scientific analogies for historical knowledge and advanced the goals of verifiability and generalizability in historical knowledge, English-speaking philosophers in the 1970s and 1980s were increasingly influenced by hermeneutic philosophy, post-modernism, and French literary theory (Rorty.
