What is PHILOSOPHICAL PSYCHOLOGY? definition of ... the department of psychology which analyzes the philosophical dilemmas pertaining to the discipline and the philosophical presumptions which underlie its theories and techniques. Philosophical Psychology: Home Philosophical Psychology is an interdisciplinary journal devoted to developing and strengthening the links between philosophy and the psychological sciences by publishing original, peer-reviewed contributions that advance these fields of research. In addition to psychologists and philosophers, the journal's international readership and contributors include neuroscientists, linguists, biologists, sociologists and anthropologists, psychiatrists, and computer scientists. Philosophy of psychology - Wikipedia Philosophy of psychology also closely monitors contemporary work conducted in cognitive neuroscience, evolutionary psychology, and artificial intelligence, for example questioning whether psychological phenomena can be explained using the methods of neuroscience, evolutionary theory, and computational modeling, respectively. Although these are all closely related fields, some concerns still arise about the appropriateness of importing their methods into psychology.

Journal of Theoretical and Philosophical Psychology The Journal of Theoretical and Philosophical Psychology Â® is devoted to fostering discussion at the interface of psychology, philosophy, and metatheory. The journal addresses ontological, epistemological, ethical, and critical issues in psychological theory and inquiry as well as the implications of psychological theory and inquiry for philosophical issues. Philosophy and Psychology Combined Ph.D. Program ... The Philosophy and Psychology Combined PhD Program is a program offered by the Departments of Philosophy and Psychology at Yale. Students enrolled in the program complete a series of courses in each discipline as well as an interdisciplinary dissertation that falls at the intersection of the two. Philosophical Psychology: Manuscript Submissions Philosophical Psychology utilizes endnotes, rather than footnotes. If there are any notes, they should be contained in a separate section labeled "Notes," immediately prior to the reference section (which comes last).
